Kiwanis is an amazing organization comprised of caring individuals who truly want to make a difference for children and their families. Having the opportunity to give back and truly make a meaningful impact on the lives of others is what our club is all about.

The Capital City Kiwanis Club has afforded me the opportunity to join together with a group of dynamic and diverse people whose primary focus is to advocate/serve the children of the world. Working collectively, we are able to do more for the citizens in our community who need support.

**Joe Sanders, Treasurer**

I enjoy the fellowship and the variety of service projects our club has performed over the years. I believe we are really making a difference in our schools and community.

All of the unique service and fundraising activities. It's all about the kids.

**Tom Morgan, Director 2014-2016**

I appreciate the fellowship, and more importantly, the boundless opportunities for me to do my small but hopefully meaningful part in helping to improve the lives of others in this community and beyond who are less fortunate than ourselves. The myriad of past and ongoing accomplishments of the Capital City Kiwanis Club fall on a continuum ranging from significant to profound, and I am both proud and humbled to be a contributing member of this organization.
