## Prez Sez

The club theme for this year is, as you know, "NEW BEGINNINGS--THE NEXT 50 YEARS." Last week I pointed out some of the meeting room New Beginnings we have made and I indicated that more are to come in other areas. One of those involves an increased emphasis on Service Leadership Programs--service to our school children through Kiwanis organizations. As a result of a great effort by Fred Williams, last week Griffin Middle School agreed to establishment of a Builders Club for 11-13 year olds. The paperwork, organization, recruiting and other requirements for chartering the club are underway and we will have established the third Builders Club in the Division. Fred also got the guidance councilor to serve as Faculty Advisor. The Faculty Advisor of our Ruediger Elementary K-Kids applauded the new Builders Club because many of her students will go on to Griffin and can continue to be involved in Kiwanis there. Great job Fred!! Our Lincoln Key Club is also growing and becoming active. We are now merging the Key Clubs and K-Kids with some of our service projects which has been a goal of mine for a long time and now we will have Builders Club kids to sponsor, encourage and mentor while building their service-mindedness and leadership skills.

Last year Fred established a Care Partners list which paired our members together to insure that someone comes along side of each of us in times when we need help, encouragement or just to be a friend. That list remains in effect and I will be expanding it to include new members soon. Recently we, unfortunately, have had several members facing medical issues, family and work related crises. Please be aware of the Care Partners program and, even if not yet paired with someone, be prepared to give members who are facing problems or who just haven't been able to be involved in club activities, a helping hand and a receptive ear.

Interclubs is another area receiving emphasis this year and Bob Henderson and Larry Spalding are doing a great job in organizing them and getting folks to participate. Last Thursday 5 of us attended the Madison meeting where LT GOV Donna Wells was the program. Through Bob's efforts, we have had 34 different members participate in an interclub since October and we are averaging 6 members per visit. We have been to all of the clubs in the Division, except Havana, to date. We still need the remaining 16 people in the club to participate, especially the new ones. My objective for this year was to go to all of the Division clubs at least 2 times, but Bob has us on a pace to go to each as much as 4 times!! GREAT!

Membership growth continues to be a major emphasis. We are above 50 members with 3 new applications in and several potentials. My goal is to reach 60 members by end of year if possible, but to at least maintain the 50 we have. We will be losing a couple but with the continuing growth we should keep the 50 and even grow. We are also expanding through the Bradfordville club satellite that is being established. We are meeting in Christ Presbyterian on 24 Feb to launch efforts to organize and recruit our chartering effort. That will be a luncheon and you are all invited.

The President of the Kiev, Ukraine Kiwanis Club has contacted me and indicated that she and her family may visit us at the first club meeting in April. They will be visiting friends in St. Petersburg (Florida not Russia) before coming to visit us. How exciting is that?! We are truly an international club!! If it comes off, we will squire her around and show her how our club operates in the Tallahassee area. Please plan to be at that meeting if you can -- it is an opportunity that doesn't happen often GREAT JOB!!
