Distinguished Awards

The Florida District of Kiwanis has been named a 2012-13 Distinguished District by Immediate Past International President Tom DeJulio! Congratulations to Immediate Past Governor Allen Whetsell, his 2012-13 Leadership Team and every member of the Florida District for achieving this tremendous honor and making a significant impact in the lives of others.

CCKC has been named a 2012-13 Distinguished Club, under Immediate Past President **Janet Morgan**, and **Jim Ledbetter** a Distinguished Lt. Governor by Immediate Past Governor Allen Whetsell! These honors would not be possible without the dedication of the members, officers, and directors of CCKC and the members and clubs of Division 3 to serve children and community.

Recent Speakers

February 24th: Anisha Kamble (India)

Anisha came here in 2012, from Mumbai, and is a master's student in Computer Science. India is the 7th largest country by area and the 2nd largest in population. It has a diverse geography – mountains, hills & plateaus, and deserts. Anisha did not have much interaction with people from her city and state until she came to FSU and lived with her fellow Indians.

As you travel through India, one thing that stands out is religion, and with many different religions, people still live together. Indians love to party! Holidays and festivals come around every few months. There are a lot of myths about India: It is not all "Slumdog Millionaires" and walking around in pajamas; India is not un-developed and un-educated. Lifestyles are improving and the country is still developing. Current events tend to revolve around politics, sports, and Bollywood, but there are problems of rape and discrimination against women.

To Anisha, the main problem is corruption, which is not going away soon, because as long as there is greed for money, there will be corruption. Due to one political party trying to do something about corruption, there are strong efforts of late to reduce it.

Anisha fielded questions about the caste system; arranged marriages; and employment in technological development, computer programming, and computer science.

Five Steps to Excellence

Kiwanis

ELIMINATE

We Must...

ELIMINATE

- 1: Declining membership
- 2: Old projects whose time have come and gone
- 3: Inactivity in our SLPs
- 4: Hunger in our communities
- 5: (MNT) Maternal Neonatal Tetanus

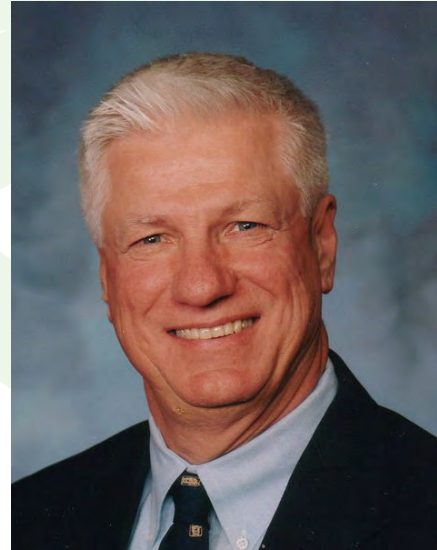

President's Message

On April 5th, our club will be participating in Kiwanis One Day. This is an International activity, but clubs participate according to the needs in their communities. For several years, we have made toy donations to the TMH Pediatric Unit as our Kiwanis One Day project. Janet Morgan is chairing this event. She can use your help.

You can volunteer to shop for appropriate toys for the Pediatrics Unit. You can help deliver the toys on April 5th. Or, you can donate toys or money for this purpose. We have set aside money in the club's service fund for purchase of toys. Additional funds for this purpose would make more children happy and distract their attention from the onerous procedures they face while in the hospital. If you would like to make a contribution, give a check to Joe and let Janet know the amount of your contribution. If you would like to make a purchase of toys or have gently used toys lying around your home bring them to a Monday meeting before April 5th, and make a child happy.

On April 12th, we are going to have our own Kiwanis One Day. We are doing this extra Kiwanis One Day in conjunction with a visit from the Kiwanis District Governor. He will be visiting the clubs in Division 3 and would like to see a service project "in action". We have a second ramp build in our service fund budget and have scheduled it to coincide with the Governor's visit.

Let's have a good turn-out for this service project. Let Fred Williams know if you can make it for a least part of the day. This is an opportunity to help a neighbor have greater access. It is an opportunity to work with your fellow Kiwanians to accomplish a worthwhile project. And, it is an opportunity to meet and greet our Governor, who has emphasized during his administration engaging in projects to help our needy neighbors.

Key Club Fundraiser

Rickards Key Club is having a fundraiser at all 3 locations of nuberry frozen yogurt from March 9-15. Tell the cashier you are supporting Rickards Key Club and 25% of your bill will go to the club.

Social and Fundraiser

After the board meeting on March 3rd, CCKC members came out to the 4th Quarter Bar & Grill for a social, with 10% of the proceeds going back to the club. The next social is on April 7th at 7:00 pm at the 4th Quarter. Pictured below clockwise: **Nathan Dollar, Woody Price, Howard Purdue, and Jim Ledbetter**

Happy Bucks!

February 24th

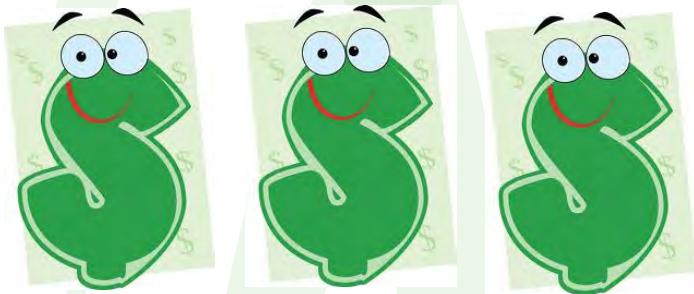

Jennifer Ohlsen is happy...CCKC is at 77% (or 9,290) of its Diaper Dump goal and the club funds bought 34 Pack 'N Plays, with 2 sheets each, for families in need as part of DCF's Safe Sleep Campaign.

Nathan Dollar is happy...to come to a meeting. He reported for Jury Duty, but did not have to serve.

Tom Morgan is happy...his dear friend Dale Potorff is back with us.

Dianne Van der Meer is happy...for friendship!

Jennifer Ohlsen is happy...our friend Ben Graybar is here.

Woody Price is \$5 happy...for an outstanding Roadside Cleanup on Saturday, although not as many Kiwanians as our SLP family came out (4 from Lincoln, 6 from Rickards, and 3 from Ruediger) AND for Carol McNally being in the mountains AND although Amber Tynan had an emergency trip to Massachusetts, it looks like her mom's situation has stabilized AND Janet Morgan here AND Amber Tynan sent out an email announcing that CCKC is the non-profit of performance for downtown events from April to August, where we will be serving 12 oz beers and wine on the Adams Street side of the park from 7:00 - 10:30 PM, which will be a significant step up from Craft Beer Tasting.

Howard Eisenman is happy...that for 7 Days of Opening Nights, the FSU Theatre is doing Monty Python's Spamalot, which might be the best show he's seen in 30 years!

Kiwanis Objects

The six permanent Objects of Kiwanis International were approved by Kiwanis club delegates at the 1924 International Convention in Denver, Colorado. Through the decades, they have remained unchanged.

- * To give primacy to the human and spiritual rather than to the material values of life.
- * To encourage the daily living of the Golden Rule in all human relationships.
- * To promote the adoption and the application of higher social, business, and professional standards.
- * To develop, by precept and example, a more intelligent, aggressive, and serviceable citizenship.
- * To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.
- * To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism, and goodwill.
