**FLU SHOTS:** It's that time of year again when we must take steps to protect ourselves and our families from the flu bug. See your doctor or healthcare provider to arrange for your shots.

## THE CCKC PRESIDENT'S CORNER

Our 50th Anniversary year was kicked off last week with a delightful talk by first President, Dr. J. David O'Dea, a retired psychologist. Dave and his wife Teresa drove from Dunedin on Sunday and, while here, renewed acquaintances with Hilmar Skagfield, Charter member Wilson Wright and former Prez Dick Coxen. Dave told tales about Hilmar's Icelandic accent and credited Wilson with being a "founding father" of our club in 1959. He reminisced about the early days and how he fell into the Presidency because Harry Michaels would not take it. However, Harry followed him as Prez in 1961. Our members enjoyed meeting Dave and Teresa and look forward to having them with us again at our Anniversary Dinner on August 31,

**Kiwanis History ...the year was 1941**

“Billboards with the 1940-41 Theme, ‘Citizenship Responsibility—The Price of Freedom,’ began to appear throughout the continent. Resolutions adopted at the 1941 Atlanta Convention took aim at the defense of democracy’s fundamentals, the military defense of North America, delaying nonessential public works projects, citizenship responsibility, and the deportation of undesirable aliens. People were nervous, anxious, concerned.” Charles S. Donley, a Transportation Executive from Pittsburgh, was elected President. He said, “Our freedoms are in jeopardy. Our service program is built to protect them. Take a look at our objectives—the very sacred things the individual Kiwanian supports as the foundation of a liberty-loving, peace-loving people.”
